In re Application of :
Tock et al. : DECISION ON PETITION
Application Number: 09/849181 :
Filing Date: 05/05/2001 :
Attorney Docket Number: :
I01102/03102 :

This is a decision on the petition filed on November 13, 2007, under 37 CFR 1.137(b)¹ to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. **Extensions of time under 37 CFR 1.136(a) are permitted.** The reconsideration request should include a cover

¹ Effective December 1, 1997, the provisions of 37 CFR 1.137(b) now provide that where the delay in reply was unintentional, a petition may be filed to revive an abandoned application or a lapsed patent pursuant to 37 CFR 1.137(b). A grantable petition filed under the provisions of 37 CFR 1.137(b) must be accompanied by:

(1) the required reply, unless previously filed. In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In a nonprovisional application filed on or after June 8, 1995, and abandoned for failure to prosecute, the required reply may also be met by the filing of a request for continued examination in compliance with § 1.114. In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof. In an application abandoned for failure to pay the publication fee, the required reply must include payment of the publication fee.

(2) the petition fee as set forth in 37 CFR 1.17(m);

(3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and

(4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(d)).

letter entitled "Renewed Petition Under 37 CFR 1.137(b)." This is not a final agency decision.

This application became abandoned on July 20, 2003, for failure to submit a timely and proper response to the Office action mailed in accordance with Ex parte Quayle² mailed on May 19, 2003, which set a two (2) month shortened statutory period for reply. On August 26, 2003 (certificate of mailing date August 19, 2003), an amendment was filed, accompanied by a one (1) month extension of time in accordance with 37 CFR 1.136(a). The amendment, however, is considered non-compliant for failure to meet the requirements of 37 CFR 1.121, and a Notice of Non-Compliant Amendment (37 CFR 1.121) was mailed on September 10, 2003, notifying applicants that a corrected amendment was required. Notice of Abandonment was mailed on September 13, 2004.

On October 18, 2004, a petition to withdraw the holding of abandonment was filed. On May 21, 2007, the petition was dismissed.

The present petition to revive the application was filed on November 13, 2007.

The petition must be dismissed because a proper reply has not been filed: Applicant still has not provided the response that was required by the examiner. Applicant must provide a copy of the claims showing the amendments incorporated into the claims (37 CFR 1.121).

Additionally, the statement of unintentional delay in the petition does not track the language of 37 CFR 1.137(b)(3), which requires a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. As such, it is recommended that petitioner use the enclosed form when filing a renewed petition.

No additional petition fee is due.
